

Aldwick Parish Council Newsletter – September 2020

Last chance for annual grants!

Just a gentle nudge to advise you to get your grant application in quickly. The timeline for this runs out on 18th September. You must apply online this year, either by printing off, scanning, filling in and emailing back to us the application form on our website's news section (main page) or by filling in the online form which can be found under the tab 'Aldwick Parish Council' then 'Publications' on our site.

We are also running a Covid fund to enable grants to be made to organisations which are helping individuals in our community. There is no deadline for this, but you should apply using the grant form. Importantly, **please mark your application Covid -19 grant.**

Pavement licences

If you're a restaurant or café owner, you can now apply for a pavement licence to use highway space adjacent to your premises. Arun District Council is fast tracking these applications which are currently free of charge. To learn what is required please visit: www.Arun.gov.uk **Pavement Licensing Policy** and to apply, visit **Environmental Health Online Services Portal** on the Arun website.

A friendly reminder

It's September and we're starting into another month of the Corona virus experience. Residents and shop-keepers alike have behaved with responsibility and courtesy. But this is just a friendly reminder to continue to keep your distance and to wear a mask in whatever situations the government tells us. If you're walking in a lane like this one (*left*) on Aldwick Green or on a narrow pavement and someone is approaching you, please look for a safe retreat until the person passes, especially if it is someone elderly or handicapped. We know it's frustrating and that it slows life down, but the virus is still very much with us, so let's go on keeping Aldwick safe and healthy.

We'd love to hear from you!

At the time of writing, we are following guidance from our District and County Councils in not re-opening our offices. However, just because we're not physically present, doesn't mean you can't talk to us. You can leave a message on our answering machine (01243.263330); by email: clerk@aldwickparishcouncil.gov.uk or, if you want to take part in one of our meetings, by dialling in on the phone number for that meeting which can be found at the bottom of each agenda together with an I.D. for that meeting. So come on in, we'd love to hear from you!
