

### Covid App – Please download!

The **Track and Trace app** is now available to download from Google Play or Apple Play stores. The app includes a notification feature which will alert you if you've been near another app user who tests positive for coronavirus; if your local area (postcode district) has

a changed risk status; or if you have visited a venue which later reports an outbreak while you were there. If you test positive, the app will ask you to allow those you've been in contact with to be alerted. The people notified will not know who you are. So please, if you have a smart phone, help protect yourself and others so that we can get control of the virus.

### Take a break on the bench!

Left is a pic of the new bench which has been installed in the Queen Elizabeth 2nd Jubilee Garden which you'll find at the end of Halnaker Gardens off Boxgrove Gardens. ( The Willowhale Allotments are next door to the garden and Willowhale Farm Residents' Association are trustees to both) If you've been walking or shopping locally you might like to take a few moments to relax and enjoy the peace of nature all around you. The bench was purchased by WFRA with a grant from Aldwick Parish Council (covid-

19) and Tivoli Group installed it free of charge for which we thank them. We think you'll agree that it looks inviting, so go ahead – take a break!

### School Time?

If your child's date of birth is between 1 September 2016 and 31 August 2017 it is now time to apply for their school place. You should apply online by visiting [www.westsussex.gov.uk/admissions](http://www.westsussex.gov.uk/admissions). The council would prefer that you apply online, but if you cannot do this, you can also phone them on 03330 142 903 for a paper form.

### Road Safety Issues

We've recently received some complaints about speeding on Aldwick roads and we'd like to bring to your attention correspondence from Commissioner Katy Bourne OBE relating to new noise detection equipment which is being trialled in West Sussex along with speed guns and drones. If you want to report a road safety issue, please email [srp@sussex.pnn.police.uk](mailto:srp@sussex.pnn.police.uk)

### Remembrance Day Update

**With the continuing Covid crisis causing chaos in all our lives, we may need to change or cancel our Remembrance Day ceremony. Please keep an eye on our website for updates.**
