Understanding Bereavement

In these strange times it can be difficult knowing what to say to someone who has been bereaved, whether by Covid or anything else. West Sussex are funding bereavement webinars through eventbrite and you can learn for free from a helpful and caring team. March dates are 1st, 2nd, 16th 22nd and 30th. <https://www.eventbrite.com/signin> and the event is [Understanding Bereavement and Loss](#).

Beware Vaccination Scams!

West Sussex County Council is warning of scam texts and phone calls relating to the vaccination. These may ask you to press a number on your keypad or to send a text message to confirm that you wish to receive the vaccine. Doing so is likely to result in a charge being applied to your phone bill. In other cases, callers are offering the vaccine for a fee or asking for bank details. The vaccine is only available from the NHS and the NHS will contact you when it is your turn. The NHS will never ask you to press a button on your keypad or send a text to confirm you want the vaccine, and never ask for payment or for your bank details.

If you believe you have been the victim of fraud or identity theft you should report this directly to Action Fraud on 0300 123 2040. Where the victim is vulnerable, report it to Sussex Police online or by calling 101.
