11. The Amenities Committee has proposed the following recommendations:

050.21a	To agree that the Millennium Gardens planting is renovated and enhanced by replanting and reshaping. The current shrubs and plants have been in position for some time and have become large and unruly thereby impairing the overall design and appearance of the garden. To also agree that this project is delegated to the Amenities Committee and that the cost of £1834.00 (ex VAT) is approved, and submit recommendation to Council, Members felt that more discussion was needed before a decision could be taken and more detail regarding the types of plants was needed. Therefore, it was agreed by Members to delegate the item to the Amenities Committee for further investigations and resubmitted to Council on completion. Having received additional information regarding types of plants members agreed that the re-submitted proposal should go ahead and agreed to propose this to Council.
