

## Lovely Tree for a Lovely Lady

In memory of Lilian Richardson our late and deeply missed Chairman, we have now planted a multi-stemmed Birch, which can be seen at The Memorial Gardens, complete with its plaque, honouring Lilian. It has been planted on one side of our commemorative soldier and to the other is a similar birch commemorating the 75 year anniversary of VE day. Like them, Lilian may be gone, but she will never be forgotten.

## Speaking of Trees....

In this special Jubilee year Aldwick Parish Council plans to plant up to up ten new trees in Aldwick. This is the brainchild of our National Environment Working Group to mark the Queen's Green Canopy Initiative. The trees will be planted on West Sussex County Council (WSCC) owned land, as agreed by WSCC highways, and will be maintained by West Sussex Council. As soon as West Sussex have confirmed the locations, we'll let you know, and we'll show you the results as soon as the trees are planted.

## Reading Club Vacancies

Summer is here and the newsletter won't be published again until September. We hope you enjoy lots of outdoor activities over the next couple of months, but when you've had enough of the sun – if we get it – you might like to go indoors for a while in order to help out with the Summer Reading Challenge in local West Sussex Libraries. We all

know how important early reading is for a child's development, so if you are over fourteen and are happy working in a team, then this role is for you! Contact West Sussex at:

<https://www.westsussex.gov.uk/leisure-recreation-and-community/volunteering/specialist-volunteering/summer-reading-challenge-volunteer/> for further information

**Come and Join us!** – we'd love to have you on our team of councillors. For further information, please contact the Clerk at the address below.
