

Aldwick Parish Council Newsletter – October 2022

Death of Queen Elizabeth II

Aldwick Parish Council wishes to express its profound regret and sadness on the death of Her Majesty Queen Elizabeth II and to send heartfelt condolences to all members of the Royal Family and to all of you, our residents. We know that you join us in expressing gratitude for her many decades of service to this country. She will never be forgotten. God Save the King.

Remembrance Service

Our annual Remembrance Service will be held this year to commemorate the war dead of all conflicts in which our army has been engaged. This will take place on November 11th at the Parish Council and we'll post details on our website and in the November newsletter. We know that this service is profoundly meaningful to residents and never more so than in this sad year, when we lost Her Majesty, the Queen, who, as many of you will know, served as a sub-altern during World War II. We look forward to seeing you on the day.

That Long Hot Summer and a thanks from us to you

Though the long, hot summer may just be a memory now, Aldwick Parish Council would like to thank all those residents who watered our new trees this year. Each tree had a 'Please Water Me' sign attached to it and residents responded enthusiastically, ensuring that these trees will grace Aldwick for many years to come. Thanks to everyone who watered a plant.

Speaking of Trees...In the near future, we will be planting twelve young amenity trees in Aldwick, funded by Aldwick Parish Council in partnership with West Sussex County Council. We will give you more information when the planting begins.

Dementia Initiative

Time for Dementia – is an innovative, award winning, educational programme designed to give students ongoing contact with a family living with dementia. Families affected by dementia are paired with undergraduate students studying healthcare, thus enabling them to gain a better understanding of living with dementia, and to develop skills to provide better care for patients and their families. If you're interested in taking part, call Rachael Edwards 07483 137539. Email
