### New Sub-Committee formed

*Cllr Mrs Thas (above)*

A new sub-committee has been formed in order to look at ways to improve the crossing at the junction of Rose Green Road and Carlton Avenue. Cllr Mrs Thas, together with Cllr Mrs Rufey and Cllr Mr Smith are the councillors involved. The committee is concerned regarding the safety of school-children and others at this crossing and will shortly be issuing a questionnaire to interested parties. The intention is to establish the feasibility of locating a pelican or a pedestrian crossing near this junction.

### Cost of Living Support

We're all feeling the pinch right now, but there is help if you need it. Arun District Council advise you to log on to the <https://helpforhouseholds.campaign.gov.uk/> in order to find out what support you are eligible to receive. You will also discover some handy energy-saving tips. For example, did you know that turning down the flow temperature on your combi boiler could save you up to £100 per year? And

that's without any noticeable reduction in the temperature of your rooms. Log on to find out how.

### Potholes – the bane of the motorist's life!

They're one of the biggest sources of motorists' complaints, but West Sussex County Council has now introduced an easy way to report them and they give time frames for the repair of different sizes of pothole! However, if a pothole is an immediate risk of danger, you should report it immediately by phone to them at:

01243 642105. To assess the new reporting system log on to <https://www.westsussex.gov.uk/roads-and-travel/report-a-pothole-online/>

### Do you know someone who struggles to read?

It can be embarrassing for the person involved, but there is practical help available.
