

Aldwick Parish Council Monthly Newsletter September 2018

Final Call for Grant Applications

If you're reading this in early September then you'll just be in time to apply for a grant for your local community or charity group. All applications must be received by September 3rd.

Aldwick Parish Council Website

Want to promote your local group or charity? We have a section on our new, improved website for just this? We will need to know:

the name of your group, the main contact, the address and email address. You can also add a piece about what your group is about – its aims and objectives. Please note that the residents groups on our old site were removed in line with GDPR requirements. We need your permission to replace them. So please do write

to: deputyclerk@aldwickparishcouncil.gov.uk and make your group known to our residents!

Rose Green Infant School Seeks Volunteers

Rose Green Infant School Governors are looking for people to join their vital strategic team of volunteers who want to make a positive contribution to children's education. They offer training, support and friendship in return for being a vital part of the school's leadership. Governors do not need formal qualifications, just a willingness to listen, ask questions and take part in the future of this lovely Infant School. For further details please contact the clerk to the Governors at the school, or by email; office@rosegreeninfant.school or telephone 01243 262318

Could you be a Parish Councillor?

We currently have two vacancies for Councillors – if you would like to be part of a dynamic and engaged Parish Council that serves the needs of its residents, please contact the Clerk. Our Councillors are dedicated and proactive team players and in the past year they have, amongst other things, organised community awards, applied for grant funding, attended meetings of the various committees and dealt with individual problems of our residents as well as liaising with District and County Councils.

Stalking Initiative

Katy Bourne Sussex Police & Crime Commissioner has developed a new stalking initiative which will look at creating a common language around stalking perpetrators and victims; develop a new risk profile and a perpetrator management model. She wants victims of stalking to report in the confidence that they will be believed and positive action taken. We think this initiative will be greatly welcomed by victims.
