

Aldwick Parish Council Monthly Newsletter December 2018/January 2019

A very merry Christmas to you all.

We're sure you'll agree that our Christmas Tree at Rose Green looks truly spectacular this year. The tree was funded by us, but no, it wasn't decorated by little mice but by our own very special little helpers!

Aldwick Parish Council would like to wish all our residents a very merry Christmas and a happy New Year.

Special Centenary Remembrance Service

Our Remembrance Service was a very special one this year, falling as it did on the centenary of the First World War Armistice Day.

To mark this occasion, our Chairman read a list of those Aldwick residents who had served in the two World Wars. It is so important that we and future generations remember the sacrifice that the men and women of the armed forces made and continue to make for us, many having given their lives so that our cherished democracy may continue. A thanks to all who made the ceremony

possible and to all those of you who attended.

Our gardens

We hope you've noticed how lovely the Millennium Gardens are looking just now. Our gardening contractor has installed raised beds which are filled with shrubs and flowers. They were commented on favourably by some of the attendees at the Centenary Remembrance Service. We think they look great and we'd especially like to thank Gary from who took such care in choosing and nurturing the plants.

Holiday Office Closing

The office will be closed from close of business on Thursday 20th December, re-opening on Monday 7th January 2019
