

Aldwick Parish Council Monthly Newsletter March 2019

Our Civic Reception

We held our annual Civic Reception on 25th January and grants were handed out to 17 local groups all of which work on behalf of Aldwick Residents.

This year, our annual Community Award went to four people – Anne Bass, Perrie Sims, Christine Mitchell and Christine Girdlestone. For many years these four wonderful ladies have organised and prepared Willowhale Hall for the Remembrance Service. They also provide the refreshments so that our residents can have a chat and a nibble after the ceremony. Delicious home-made cakes are always on offer as well as tea and coffee. The ladies then tidy up all the detritus and they do it willingly and with grace. Our thanks to them.

Our picture shows three of the ladies receiving their awards

IF YOU'RE NOT IN.....

We're delighted to announce that we have been successful in our application for a grant of £8,500 for our Aldwick Community Heating Project. This application was made by the Parish Council in consultation with several local community groups, whose members were feeling the cold when they held their events at Aldwick Parish Council. As a result of receiving the grant we will now be able to have a gas supply installed at the Parish Offices which are currently heated by old fashioned electric storage heaters which are not very effective. The new gas heating will have a smaller environmental

footprint and Aldwick Parish Council will make up the difference between the grant money and the total cost of installation.

Our thanks to the groups which were involved in making the application and of course a very big thanks to the National Lottery Awards for All scheme which will make our big heating change possible. We will update you as the installation progresses.

A date for your diary: The annual Electors' Meeting will take place on Thursday 25th April and all Aldwick residents are invited to come along to meet your Councillors and to express your concerns and/or ideas for Aldwick.
