

## Aldwick Parish Council Monthly Newsletter September 2019

### What can our website do for you?

Our website contains details of our meetings our councillors and lots more, but it is also an important resource that can be used by residents of Aldwick.

Under the heading ‘**About Aldwick**’ you’ll find ‘**What’s On In Aldwick**’ – which provides listings of local events. We can upload jpeg posters of your event in order to attract the public.

**Aldwick News Extra** – is where you’ll find items that we simply don’t have space for on the front page (which can carry a maximum of five stories). Here you’ll find details of anything from children’s library events to what to do during a power cut. Let us know if there’s an item you’d like to see here.

If you have a neighbourhood association, or maybe a local group, we can publish its details for you under **Aldwick Residents Associations and Groups**. Please note that under GDPR rules, we had to remove the existing groups from our new website. But we can republish if you send us the details.

Our new website is enjoying more and more ‘hits’ from the public, so if there is something you want to publicise, contact us with the story!

### Last Call for Grant Applications

If you’re reading this before September 3<sup>rd</sup>, you are just in time to apply for a grant for your local group or organisation. Grant forms can be found on our website, but hurry. The deadline for acceptance of grants is September 3<sup>rd</sup>.

### Want to become a Parish Councillor?

We are still looking for three extra members of the public to join our team. If you want to be part of a hard-working, innovative council and feel you could improve Aldwick Parish for its residents, please get in touch with the Clerk.

### In Brief - A Smoother Drive

Our car park was closed for a few days in July, while Places For People, who own the land, had the car park resurfaced. We hope you’ll agree that it offers a smoother drive and improves the entire lot considerably.
