### Corona Virus Special

#### Our wish for you & a request from West Sussex Record Office

Aldwick Parish councillors and staff sincerely hope that all residents are well and safe. We respectfully ask you to abide by the current government rules relating to the virus. If you have kept a diary of your experiences of this time, West Sussex Record Office wants to hear from you! #### Our website

Please do take a look at our website. On it, you can find a helpful list of services to help you through the current crisis; advice for allotmenters, how to contact us if you need to and a whole lot more. Our website address is [www.aldwickparishcouncil.gov.uk](http://www.aldwickparishcouncil.gov.uk)

#### Could you be a carer?

At the time of writing, carers were urgently required. We hope the need is not so urgent now, but we're sure there are still vacancies. If you're interested, please visit West Sussex County Council's Proud to Care website Proud to Care which is <https://www.proudtocarewestsussex.com/> and become a health care hero.

#### Virtual Meetings

We are looking at the idea of running virtual (online) meetings so that the business of the council can proceed as smoothly as possible during this unprecedented period. When we know more, we will put the details on our website. These meetings will be run via one of the virtual meeting platforms and we are hoping that the public will be able to attend via whichever platform we are using.

#### Update to April newsletter – Playrangers

The April newsletter went to press before the current lockdown and we are sorry to announce that the Playrangers events scheduled for Tuesday 26<sup>th</sup> and Thursday 28<sup>th</sup> May have had to be cancelled. We will of course keep you updated regarding the summer events so do keep an eye on our website and on our newsletter, of course!
