

Aldwick Parish Council Newsletter – June/July 2020

Play Rangers Cancelled

It's with great sadness that we have taken the decision to cancel Play Rangers this year in both West Park and Avisford Park. We know that you and your children love it, but it is simply not feasible to go ahead with it because of the Covid virus. We are sure you'll understand and we really hope to welcome you all back next year. Watch this space.

Virtual Meetings

Aldwick Parish Council's virtual meetings are now up and running. We are using Microsoft Teams and you can check out our website to see the schedule of meetings for the next few months. Agendas and Minutes are also available online. You can join a meeting if you want and details will be published on the relevant agenda. We know that it's not quite the same as a real live meeting, but it's certainly the next best thing. It allows the council to do its business and residents to make contact with our councillors.

Local Shops during Corona Virus

We'd like to say a great big thank you to all the local shops in Aldwick which have remained open during lockdown. The owners and staff are true heroes, helping us keep our homes stocked with food and drink and other essentials during this difficult period. Many of them are also offering a delivery service making it easy for vulnerable people to order their groceries online or by phone. We hope that residents continue to 'Shop Local' when things return to the 'new normal'.

Find what you need....

During lockdown the Aldwick Parish website is where you'll find details of the help that is available if you are in the vulnerable category. You can also find out which local shops and businesses are making deliveries – there are more than you might think! The website also offers information on how to manage your allotment if you're lucky enough to have one; it also carries the May edition of *Sussex Views* and all our newsletters too. We carry up to date local news on our front page and more news stories can be found under News Extra

In these troubling times, it's easy to forget that it is summer and that we are fortunate to live in a lovely area. Check out the photos under 'Visit Aldwick' and we're sure you'll feel inspired to pay those places a visit.
